WRITING

1. Hello, I would like to participate to your TV show, my name is Sergey. I'm not bad at singing and playing instruments. My age is 20. I always have experience in singing and playing instruments because I was learning it in a musical school for a few years. I can play: guitar, piano, flute, etc. I can also sing a few songs that I learned in musical school. My parent was also singers and musician, so I have a talent of it. I want to participate in your TV show, because I want to experience, how it feels to be on TV, and also experience myself in new place. I also have a friend, that wants to go to show with me. He is a good dancer and telling jokes, so we want to go together and want to be a best duo ever on TV. By the way his name is Bob. That all I wanted to say.

2. I was planning to give my friend a surprise. My friend's name is Anton. He is 15 years old and he is very good person, but I was planning to surprise ~~to get~~ because I wanted him to smile. I was planning surprise to be scary and funny at the same time. I told it at the moment at 12:30, when he came home from school. I scared him and gave him a present. He got scared, but after a few seconds, he started laughing. Other people that were around as started to laugh too. After this story, my friend becomes happy, and we continued to be best friends.
