WRITING

11 About my films choice
Hello, my name is Dima and I will answer
the questions from the notice first
one is "Do you prefer watching films
at home?" Or at the cinema?" I prefer
watching them at home because at
home you can sit how you want
you can lay and sleep and you can
pause the video movie,
second question: "Why?"
You can stop watching and
stop anytime, you want, or need
to see the interesting fragment
of movie again, you can bring yourself
a comfortable chair or bed, you
can watch the movies anytime
you want. That's all about my
preferences of watching movies.
I hope you enjoyed this article,
and don't forget watching and do like-
as you want to, Bye!
